2. Inspection, Rejection/Returns: All goods and deliverables are subject to final review, inspection and acceptance by Buyer, notwithstanding any payment or initial inspection. Final inspection will be made by Buyer within a reasonable time after receipt of goods or deliverables. Buyer reserves the right to refuse any goods or deliverables and to cancel any PO, in whole or in part, if it determines that the goods or deliverables do not conform to applicable specifications, drawings, samples or descriptions. Acceptance of any part of the PO does not bind Buyer to accept future shipments of non-conforming goods or deliverables or deprive it of the right to return nonconforming goods or deliverables already received. Rejected goods and deliverables may be returned to Supplier at Supplier's expense, and no replacement or substitution shall be made unless authorized by Buyer.

3. Supplier shall provide a packing list to Buyer for all shipments referencing the appropriate order number. Bills of lading, if any, shall also reference the appropriate order number. Supplier agrees that in any case where Supplier dictates freight carrier and freight regulations covering goods transported by common carrier and establishes a maximum limit on the carrier's liability for loss or damage suffered in transit, Supplier will be liable to Buyer for any loss or damage in excess of such maximum limit up to the full price of the goods. Supplier will promptly notify Buyer of components of the goods provided under the PO that Supplier purchases in a country other than the country in which the goods are delivered to Buyer. Supplier will furnish Buyer with any documentation and information reasonably necessary to establish the country of origin or to comply with the applicable country's rules of origin requirements. Supplier will promptly advise Buyer of any components imported into the country of origin and any duty included in the purchase price of the goods. If Buyer is responsible for customs duties, it will be responsible for normal duties only. Supplier will be responsible for any special duties, including marking, anti-dumping and countervailing duties, to the extent permitted under the law of the country of importation. Supplier will provide Buyer or the appropriate governmental authority all documentation and information required by law or regulation or otherwise necessary to determine the proper minimum duty to be paid upon the importation of the goods into any country or to obtain any refunds or drawbacks of duties paid. Supplier will advise Buyer if the importation or exportation of the goods requires an import or export license. Supplier will reasonably assist Buyer in obtaining any such license, if required. Supplier will provide to Buyer and the appropriate governmental agency the documentation necessary to determine the admissibility and the effect of entry of the goods into the country in which the goods are delivered. Supplier warrants that the information regarding the import or export of the goods hereunder, to the best of its knowledge, is true and correct in every respect and that all sales under the PO will be made at not less than fair value under the anti-dumping laws of the countries to which the goods are exported.

4. Safety Data Sheets. An appropriate safety data sheet ("SDS") and labeling, if required by law, will precede or accompany each shipment of goods or deliverables. Supplier will send to Buyer updated SDS's and labeling as required by law.

All copyrightable Buyer Materials shall be considered a "work made for hire" for Buyer, and Buyer shall be considered the author of the Buyer Materials for purposes of copyright. To the extent that Buyer does not acquire ownership of such copyrights as a work made for hire, and with respect to all other rights, Supplier hereby agrees to assign to Buyer upon creation all right, title and interest in and to the Buyer Materials and all Intellectual Property Rights therein. At Buyer's reasonable request, Supplier will execute any instrument that may be appropriate to assign these rights to Buyer or perfect these rights in Buyer's name.

If requested by Buyer, Supplier will ship delayed goods by means to avoid or minimize delay at its expense.

7. Cancellation: Buyer may terminate all or any part of the PO upon notice to Seller at any time. Upon termination, Seller shall immediately stop work on the terminated portion.
